Redes y Tequilla!

Our friends at Prodigal have really stepped up to make this an incredible 123@5 event.

"Lima No es necesario: UN Tequila Experiencia"

That's right, Prodigal is offering a Tequila tasting at Milwaukee's Premier Business Networking Event.

Tequila is not just a drink, but a way of life in Mexico. But many might not realize it is more similar to wine than other 80 proof spirits.

1. What is the difference between Blanco, Reposado & Añejo?
2. When will you find a worm in the bottom of a tequila bottle?
3. Where was the Margarita invented and how did it get its name?
4. Why should you never, ever drink "gold" tequila?

Doug DeNicola from Demetrio Premium Tequila www.demetriotequila.com will answer all of your questions, and provide free samples!

Prodigals new Chef is creating some special new appetizers for us! Get there early for the free can coozies.

Wednesday July 9th
Beginning at 5:00

Pass it on, bring your friends.

**Don't miss it
